PRICING & SERVICES

HOW PRICING WORKS

Pricing is based on the garment and the work involved.

We look at the outfit's construction, fabric, detailing, and the type of alteration needed before advising on next steps.

What you can expect

- Clear explanation of options
- Pricing confirmed before work begins
- Approval before major changes

You'll **always** know what's being done, why it's being done, and what it will cost. Before any work begins.
